

GATTACA Video Alternate Assignment

(This assignment is for students who were unable to watch the film GATTACA)

- Must write a 2 page paper about the topic of “cloning”.
 - Must discuss: what is cloning, what type of cloning is currently possible, what do scientists think will be the benefit of cloning, and the final paragraph (1 paragraph only) will be your opinion about cloning (do you think it should be allowed and to what extent).
- Assignment is worth 32 points in the Performance Task Category
- Paper must be typed
 - Double spaced with a maximum of 1 inch borders
- Will search for information using the school library, internet, or other libraries
- Student must include a works cited page
 - Must list all books or resources used for paper
 - Must list website address for all information used from the internet
