

Mr. Smith

Student: \_\_\_\_\_

Nation: \_\_\_\_\_

Directions: Research and record the information asked for below. All data must be the most recent available. Site the source for each immediately after the data/information. Items with an asterisk must be illustrated on a 14 x 22 inch posterboard in an organized, neat, creative, artistic and engaging manner. You may choose to include additional items on your posterboard. Please do not interpret this aspect of the assignment as merely "an enlargement of this page taped to a posterboard". Due Date: Tuesday, June 13. You will give a brief oral presentation in class (5-8 minutes), discussing, explaining, and highlighting the items displayed on your board (e.g., the major environmental challenges/ case studies, endangered species, major sources of income, etc.) along with other outstanding points regarding your nation.

1. \* Flag  
(visual)

and Capital City:

2. \* Geographic location:  
(map)
